Academic Year: 2023-24

Report Submitted to IQAC

From: Feedback Analysis Committee

Subject: Stakeholder Feedback Analysis and Action Taken on Curriculum

Sr. No.	Stakeholder	Feedback/Suggestion	Action Taken
1	Teacher	The syllabus should equip students with all the necessary skills required to work as professionals.	1) The syllabus is designed by the Board of Studies (BoS) committee of the affiliating University. 2) Faculty members participate in BoS and provide suggestions for improvements.
2	Alumni	Include soft skills training for interview preparation.	1) Organized soft skills development programs in collaboration with the Mahindra Pride Nandi Foundation. 2) Introduced IBPS and E-Banking courses in the Commerce Department. B.Com IT stream started, and Web Application Development is taught in the Web Technology course.
3	Employer	Provide students with applicable knowledge and skills.	Started skill-oriented courses to enhance students' practical knowledge.
4	Students	1) Use various tools in teaching. 2) Introduce supplementary courses for additional knowledge in related subjects.	1) Faculty members encouraged to use smart boards, multimedia centers, and library resources. 2) Decided to start departmental-level add-on courses.
