Caste Based Discrimination Prevention Cell

About :

The aims of the Cast-based discrimination prevention committee is to prevent caste-based discrimination in the college. If there is caste-based discrimination in the college, it is the task of the committee to eradicate it. If a student receives unequal treatment due to caste discrimination, the committee works to give justice to such a student.

Mission :

The committee aims to prevent caste-based discrimination. To promote equality and justice by challenging and dismantling caste-based prejudices and structures. The committee focuses on promoting an inclusive environment. Where students are valued for their abilities and contributions rather than their caste identity.

Goals :

1. To create awareness among students about caste-based discrimination
2. Providing resources, support and legal assistance to students facing caste-based discrimination.
3. Empowering backward students through training and development programs to fight against caste discrimination.

Objectives :

1. Conduct educational programs to inform students about caste-based discrimination and its consequences .
2. Counseling and legal assistance to students affected by caste-based discrimination.
3. Strive to reduce caste-based discrimination
