## Feedback and Analysis Committee

### Policy:

The Feedback process has put an importance on the need for involvement of students in the quality assurance of higher education. With this aim the college has developed feedback mechanism. College has a special mechanism for collection, statistical analysis and corrective measures to be taken on the feedback. Stakeholders can give their feedback through online forms provided by the college on college website. Feedback from students, teachers, parents and alumni helps the institute to evaluate its service policies and make changes for achieving the excellence. The feedbacks are collected from the all stakeholders by the IQAC through feedback committee and analyzed. After analysis of feedback the analysis report is communicated to the IQAC. The opinions and suggestions obtained from the stakeholders are evaluated on the background of vision and mission of the institute and considered by the IQAC for their execution. The IQAC prepares Action Taken Report. Thus, the feedback mechanism assists in effective curriculum delivery.
