“Lead College Scheme”

About:

Shivaji University, Kolhapur, has introduced the ‘**Lead College**’ concept to enhance the quality of higher education by fostering collaborative development among colleges. This innovative approach involves 10 to 15 colleges within a specific region working together to support and improve the overall development of both students and institutions. Emphasizing the principle of “*Efforts of each and welfare of all,*” the scheme is designed to create a supportive network that benefits all participating colleges.

In the Umbraj, Karad, and Patan regions, **Balasaheb Desai College (BDC), Patan**, serves as the lead college for a cluster of 12 institutions. As the lead college, our institute collaborates with the other colleges in the cluster to organize various activities such as workshops, seminars, and guest lectures along. These initiatives aim to enhance the skills of both staff and students within the cluster.
