MINORITY CELL

About:

Balasaheb Desai College, Patan is a renowned multi-faculty institute. It is the best and quality educational hub in the Patan tehsil. Our aim is to provide the quality education to economically and socially remote students resident in the tehsil. A minority cell is established to promote diversity, inclusion, and equal opportunities for all members of the organization, especially those from minority or underrepresented groups. It serves as a platform for minority employees or members to voice their concerns, seek support, and participate in initiatives that promote their well-being and advancement. This committee is formed as government rules.
