Report:

On 4th March 2024, the Computer Application Department organized an industrial visit in Kolhapur IT Park for the BCA III years Students. IT industrial visits are a fantastic opportunity to see firsthand how technology is used in various industries and gain insights into the latest trends and innovations in the IT sector.

During visit, students may have the chance to explore different departments, interact with professionals, and learn about the latest technologies being implemented in the industry. The employees of that company share their experiences, any new knowledge gained, and how they had inspired.
