Report:

The Parent-Teacher meeting organized by the Department of Computer Application on 12/01/2024 was important for the students and their parents. The presence of Principal Dr. S. D. Pawar, Dr. H. V. Kate (IQAC Coordinator), Mr. A. T. Sutar (Head Computer Dept.) and Mrs. A. R. Mane along with other faculty members indicates the significance of this meeting. During the meeting, teachers discussed attendance of students, academic progress, classroom behavior, assignments and practical's. This included highlighting the student's strengths and areas where improvement is needed. The detailed analysis of academic performance, including grades and test scores is a valuable aspect of the meeting. This information helps parents understand their child's performance in a more quantitative way, allowing for a clearer picture of their academic journey
