Activity Report
2023-2024

Name of Activity: - Two Day Industrial Visit at "Synicate Technology"

Name of the Department: B.Com. (IT) Department

Participated Students: - 90

Day and Date:- 1 Feb 2024

Venue:- "Synicate Technology" Kolhapur

Report:

An industrial visit is made by students or trainees to the industry in order to observe and learn about the operations and processes of the facility. The main purpose of an industrial visit is to provide students or trainees with an opportunity to see how the theories and concepts they have learned in the classroom are applied in a real-world setting.

During an industrial visit, students or trainees will typically have the opportunity to observe and learn about the software development process, including the use of various tools and technologies, as well as the management and organization of software projects.

Mr. Anikate Mohite and Mr. Bhaskar J. Raskar, Head of B.Com IT Department with his presence and explain the The industrial visit to "Synicate Technology" Kolhapur aims to provide participants with a holistic understanding of the IT industry and its operations. Through firsthand experiences, interactions, and learning opportunities, participants will gain valuable insights that can enrich their academic knowledge and career aspirations.
