The International Ozone Day celebration at B. D. College, Patan, was a resounding success. The program achieved its objective of creating awareness about the ozone layer and its importance in nature and human life. The event inspired students to take action to protect the environment and promote sustainable development. The donation of books by Dr. C. U. Mane will further enrich the Geography Department library and support academic endeavors. Venue of the program was at Hall no. 28, B. D. College, Patan

Recommendations given that

- Organize similar awareness programs to promote environmental conservation
- Encourage students to participate in eco-friendly initiatives
- Develop a college-level policy to reduce carbon footprint and promote sustainability

The success of the event is attributed to the collective efforts of the organizing committee, participants, and dignitaries. We express our gratitude to everyone involved in making this event a success. Lastly Vote of Thanks given by Dr. S. P. Patil extended his gratitude to all the dignitaries, guests, and participants for making the event a success.
