Report:

The Department of Computer (B.C.A.) organized a one-day workshop on Cloud Computing and DevOps, held on July 18, 2024. The resource person, Mr. Rahul Kharade, commenced with an introduction to the fundamentals of cloud computing, covering key concepts such as virtualization, cloud service models, and major cloud providers like AWS, Azure, and Google Cloud. This was followed by an exploration of DevOps principles. The event concluded with a discussion on industry trends and best practices, equipping participants with the knowledge to implement cloud and DevOps strategies in various projects. The Head of the Computer Department, Mr. A. T. Sutar, graced the workshop with his presence and explained the purpose behind organizing such an event. Dr. S. D. Pawar (Principal) provided insights about the workshop, and Dr. Kate H. V. and Mrs. A. R. Mane were also present for this workshop.
