Subject: Recommendation for Joining your industry for On Job Training Program (OJT).

Dear Hon. Sir,

I am pleased to recommend our student **Surve Sima Ravindra** from **Balasaheb Desai College Patan** for internships in your Chemical Industry from **21-Feb-2024** for fifteen days. She is now pursuing her **M. Sc first year** at our institution and have constantly exhibited a strong interest in the field of chemistry. Her academic performance is outstanding, and she has a solid foundation in the fundamentals of chemistry.

She definitely stands out because of their proactive attitude to learning and enthusiasm for gaining practical experience. She actively participates in laboratory work, projects, and extracurricular activities, demonstrating her ability to apply theoretical knowledge in real-world situations. She has outstanding communication skills, a keen analytical mind, and an eagerness to learn, making them an ideal candidate for an internship in the chemical industry.

I believe that she would greatly benefit from the hands-on experience and industry exposure that your organization provides. she is eager to contribute to your team and learn from professionals in this area.

If you have any questions or would like more information about them, please feel free to contact me at us.

Thank you for considering our student for an internship opportunity within your esteemed organization. I am confident that she will bring enthusiasm, dedication, and a strong work ethic to your team.

Sincerely,

(Dr. S. D. Pawar)
